Miss Louise Deitz,  
Executive Secretary of Radio Club  
Smith College  
Northampton, Massachusetts

Dear Miss Deitz:

Please pardon the delay in replying to your letter of May 24th, as I have been absent from the City a great deal of the time.

I note that Smith College is opening a non-profit college-wide radio station next Fall and that you desire permission for the use of ASCAP music for performance by means of records.

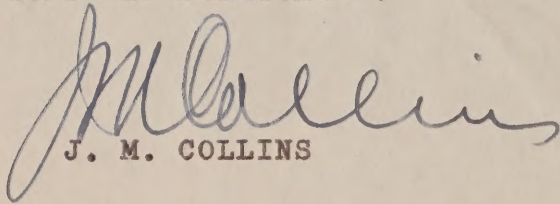

It has been the policy of the Society to grant a gratuitous license to radio stations operated by educational and religious institutions on a non-commercial basis. If the station is to be operated on the same basis, we shall be very happy to extend the same privilege and grant a similar license.

If you will advise us to this effect and also inform us as to the call letters of the station, we shall forward the necessary permission to you.

Cordially yours,

AMERICAN SOCIETY OF COMPOSERS,  
AUTHORS AND PUBLISHERS.
